

# HPE announces orderly exit of Russia, Belarus

JUNE 1, 2022 • STATEMENT

After suspending shipments to and sales in Russia and Belarus in late February, HPE has monitored the situation closely. It is no longer tenable for us to continue operations in Russia and Belarus, and we are proceeding with an orderly exit of our remaining business in these countries. We are committed to transparent communication with our impacted team members, customers and partners as we wind down business operations in the two countries.

## **About Hewlett Packard Enterprise**

Hewlett Packard Enterprise (NYSE: HPE) is the global edge-to-cloud company that helps organizations accelerate outcomes by unlocking value from all of their data, everywhere. Built on decades of reimagining the future and innovating to advance the way people live and work, HPE delivers unique, open and intelligent technology solutions as a service. With offerings spanning Cloud Services, Compute, High Performance Computing & AI, Intelligent Edge, Software, and Storage, HPE provides a consistent experience across all clouds and edges, helping customers develop new business models, engage in new ways, and increase operational performance.
